**RESPONSE TO RESTRICTION
REQUIREMENT**

Commissioner For Patents
P.O. Box 1450
Alexandria, Virginia 22313-1450

Dear Sir:

This is in response to the Office Action dated August 18, 2004, for which the 30-day shortened statutory period for response expires on September 18, 2004. Kindly consider the remarks set forth below.

Remarks begin on page 2 of this paper.

Application Serial No. 10/608,906
Attorney Docket: 46107-0037
Reply To Restriction Requirement Dated August 18, 2004

REMARKS

The present response is in response to the Restriction Requirement mailed August 18, 2004, in which the Examiner required election between Invention I (Claims 1-27, drawn to yaw control system and method, classified in class 303, subclass 146) and Invention II (Claims 28-35, drawn to electromagnetic retarder, classified in class 188, subclass 158). Applicants elect to prosecute Claims 1-27 without traverse. Applicants reserve the right to submit a divisional application directed to the non-elected claims at a later time. In view of this election and these remarks, it is respectfully submitted that an action on the merits of the elected claims is in order.

Prompt and favorable consideration and allowance of the application is respectfully requested.

Respectfully submitted,

DICKINSON WRIGHT PLLC
